GREENSOMES ROTATING STABLEFORD

SATURDAY 23RD NOVEMBER 2019

WINTER TEES FOR BOTH THE LADIES & GENTS

FORMAT – GREENSOMES ROTATING STABLEFORD

Groups of **FOUR** in a team tee off together.

3/4 HANDICAP ALLOWANCE

ON HOLES 1-6

Player **A & B** will play as a pair and Player **C & D** will play as a pair

ON HOLES 7-12

Player **A & C** will play as a pair and Player **B & D** will play as a pair

ON HOLES 13-18

Player **A & D** will play as a pair and Player **B & C** will play as a pair

Before playing each series of six holes as a pairing you must first add up the handicaps of each of the pairings to determine whether you will receive any shot/s based on the **GENTS** stroke index. Once you have added up the two handicaps, **HALF** the total and then round to the nearest whole figure.

Once this has been determined, both players will then tee off in each pairing and as with any greensomes competition you must then select the best drive to play before playing alternatively until the hole is complete. As the stableford points count on each hole, ADD up each pairings stableford points as you complete each hole and then put the total **TEAM POINTS** in the **YELLOW** highlighted column on the scorecard.

Both the 4th & 6th Holes are Par 5's for the Ladies & Gents for this competition

ALL LADIES WILL RECEIVE AN ADDITIONAL **THREE SHOTS ONTO THEIR HANDICAP BEFORE ANY $\frac{3}{4}$ HANDICAP CALCULATIONS ARE MADE.**

PLEASE SEE EXAMPLES OF THE HANDICAP CALCULATIONS ON THE NEXT PAGE

The BEST team scores returned on the day will win prizes
