HARVEST MULLIGANS AND JOKERS STABLEFORD

TUESDAY 22ND OCTOBER 2024

INSTRUCTIONS

- Each player has 100% of their course handicap to a maximum of 36. Players without handicap will be allocated a handicap of 36.
- STABLEFORD scoring.
- Each player has 1 MULLIGAN [repeat shot] on each of the 9 holes. These Mulligans can be taken anywhere on the course [tee, fairway, green].
- If your 3 Mulligans are not used on the front 9, you then lose them on the back 9. Sorry!
- Each player also has 2 JOKERS which can be played on any hole over the 18 holes. The player must declare they are using a Joker **before** hitting a shot on the tee. This will then double their stableford score for that hole. Players should mark their Joker holes with a *.

GOOD LUCK AND HAVE FUN!
