

CLUB COMPETITIONS POLICY 2026

FOR ALL MEMBERS WITH A HANDICAP (LADIES & GENTS)

For the **2026** playing season at Fortrose & Rosemarkie Golf Club, we will continue to run our **CLUB COMPETITIONS** for the **LADIES** and **GENTS** as a mixture of DRAWS and BOOK YOUR OWN TIMES.

For **DRAWN COMPETITIONS**, EVERYTHING will need to be booked online initially with the exception of a select few competitions which may require an entry sheet to be displayed on the LADIES' and/or GENTS' noticeboard/s e.g. match play entries, fun competitions and golf matches.

The exact time you book online for **DRAWN** competitions will **NOT APPLY 100%** (you will be drawn as close as possible to the tee time you selected when booking online) as we want to **MIX** the draws up as much as possible (some competitions are also seeded) so that we have members playing with different people and it is also welcoming for new members joining the Club.

Please refer to the FIXTURE LIST LINK BELOW for our Club and Open competition fixtures so that you know where there is a **DRAW** taking place and where you can **BOOK YOUR OWN TEE TIMES**.

CLUB COMPETITIONS POLICY 2026

FOR ALL MEMBERS WITH A HANDICAP (LADIES & GENTS)

When you book **ONLINE** through **BRS** for any individual **DRAWN** club competition (which will generally open up for entry purposes one month in advance of the competition date) you will only be able to add in your own name within a specific time-zone (morning or afternoon). If its pairs, 3-ball better ball or a team competition (where applicable) you can add in all the names at one time.

As a **reminder**, the tee time you book online will obviously be taken into account when a draw is made and you will then get a tee time very close to the time you have booked online.

Where there is a **DRAWN** competition mentioned as per the fixture list, and you are trying to enter after the closing date/time through the BRS system, **a late entry fee will then apply** and you will have to either phone direct on 01381 620733 or go into the PRO SHOP to secure a late entry space.

LADIES' COMPETITIONS PLAYED ON A TUESDAY – ONLINE ENTRIES WILL **CLOSE** AT 09.00 ON THE PRECEDING FRIDAY.

LADIES' & GENTS' COMPETITIONS PLAYED ON A SATURDAY – ONLINE ENTRIES WILL **CLOSE** AT 09.00 ON THE WEDNESDAY OF THAT WEEK.

LADIES' & GENTS' COMPETITIONS PLAYED ON A SUNDAY – ONLINE ENTRIES WILL **CLOSE** AT 09.00 ON THE THURSDAY OF THAT WEEK.

The **ENTRY** fees for **2026** will be **£3.00** per player with all **LATE** entries being set at **£6.00** per player.

ENTRY fees are paid on the day in the **Pro Shop** when checking-in that morning or afternoon. As a reminder, please remember to sign-in via the touch screen before you tee off otherwise you will be unable to put your score in after you complete your round on the Links.

PLEASE NOTE THAT ONCE A CLUB COMPETITION DRAW IS MADE, YOU CANNOT CHANGE YOUR TEE TIME!

The opportunity to play on the Links with your regular playing partners can be done at any time whether this be a bounce game, when putting in '**general play**' scores which we are encouraging people to use more especially if you do not play as regularly as others or in the **Gents' Wednesday Sweep** competition.

Once a competition draw is made, this is published on the relevant notice-board/s, added to the club website and a copy is given to the Pro Shop for late entries and withdrawals.
